## REPORT ON THE COMMITTEE OF ADMINISTRATORS

Mr. Nadim Memon filed a Writ Petition (L) no. 752 of 2018 against the Mumbai Cricket Association praying for removal of some Managing Committee members and appointment of Committee of Administrators. By order dated 6.4.2018 passed in said Writ Petition (L) no. 752 of 2018 the Hon'ble Bombay High Court was pleased to appoint a Committee of Administrators (C.O.A.) comprising of (1) Mr. Justice H.L. Gokhale, former Judge of the Hon'ble Supreme Court of India (Chairman) and (2) Mr. Justice V.M. Kanade, former Judge of the Bombay High Court (member) (who was also an Acting Chief Justice of the Bombay High Court) for the purpose of ensuring that the Mumbai Cricket Association implements all the directions contained in the Principal Judgment of Hon'ble Supreme Court of India as well as the steps set out in the timelines issued by the Hon'ble Justice Lodha Committee pursuant thereto.

The C.O.A. took charge on 11.4.2018 and held an interactive meeting with the member clubs on 25.4.2018 to receive the suggestions of member clubs on the draft constitution circulated by the erstwhile Managing Committee, and also on the Checklist of the Rules of implementation of Lodha Committee report given by BCCI. The C.O.A. noted all the suggestions received from the members clubs regarding the draft constitution of the Association.

The C.O.A. appointed the Cricket Improvement Committee consisting of following members to look after the cricketing activities of the Association:

1. Mr. Ajit Wadekar – Chairman (As and when available)
2. Mr. Karsan Ghavri – Acting Chairman in absence of Mr Ajit Wadekar
3. Mr. Balwinder Singh Sandhu
4. Mr. Rajeev Kulkarni

6. Mr. Sahil Kukreja

The C.O.A. prepared a draft constitution of MCA on the lines of Lodha Committee recommendations and the Supreme Court Judgement dt. 9/8/2018 and displayed it on the website of MCA on 14.8.2018. After receiving suggestions from BCCI and members, a corrected draft constitution of MCA was uploaded on the MCA website on 3.9.2018 for suggestions. After considering the suggestions of members, the Constitution of MCA was registered with the Charity Commissioner on 12.9.2018.

Thereafter the C.O.A. relinquished their charge on 14.9.2018.

## REPORT ON THE ADHOC MANAGING COMMITTEE

The High Court appointed Committee of Administrators relinquished their charge on 14.9.2018 due to which there was a vacuum created in the administration of the day to day affairs of the Association. In the absence of any committee, Association was unable to pay statutory dues including salaries of employees for want of authority. In other words, entire affairs of the Association came to a stand-still. Keeping the urgency in mind, the Association approached the Hon'ble Bombay High Court to appoint an Adhoc Managing Committee along with the CEO of the Association to discharge day-to-day administrative functions of the Association.

The Bombay High Court constituted the following Adhoc Managing Committee to look after the day-to-day administrative functions of the Association till the elected Apex Council takes charge:

- a) Prof.Dr.Unmesh Khanvilkar
- b) Mr. Navin Shetty
- c) Mr. Shahalam Shaikh
- d) Mr. Ganesh Iyer and
- e) Mr. C.S.Naik (CEO)

Thereafter the Committee of Administrators of BCCI sought compliance from the Association and forwarded their objection to various clauses of the registered constitution. The Association objected to certain changes and accepted other changes. There were many issues raised by different cricket associations and various interlocutory applications filed before the Hon'ble Supreme Court of India. The Hon'ble Supreme Court appointed Shri. P.S. Narasimha, learned Amicus Curiae to act as a mediator in relation to any disputes that might arise in the instant interlocutory application pending before it and to submit his report.

Thereafter the learned Amicus Curiae Shri. P.S. Narasimha held various meetings with the various State Cricket Associations including representatives of the Mumbai Cricket Association and Committee of Administrators of BCCI and a number of objections were considered and a resolution was arrived at.

Subsequent to the meetings held with the CoA of BCCI and the learned Amicus Curiae, the MCA forwarded the revised draft of constitution under the cover of its email dated 7.5.2019. The CoA responded to the same by its email dated 20.5.2019 and directed further compliance. The MCA thereafter sent another email dated 20.6.2019 to the CoA and informed them that it was sending the corrected revised draft of constitution which shall be without prejudice to MCA preferring Interim application before the Hon'ble Supreme Court of India.

MCA required correction to the Constitution registered on 12.09.2018 regarding various issues which could not be resolved during mediation held before the Ld. Amicus Curiae. In those circumstances the MCA on or about June, 2019 filed an Interlocutory Application No. 98955 of 2019 in the Hon'ble Supreme Court of India.

During the pendency of the said Interlocutory application No. 98955 of 2019 the MCA was required to register another constitution on 30.09.2019 in order to become eligible to participate in elections of BCCI which constitution included all points agreed during the mediation held by the Ld. Amicus Curiae but did not include the amendments to constitution proposed in the draft constitution annexed to the said Interlocutory Application No. 98955 of 2019. The said constitution was approved by the CoA of BCCI.

## REPORT ON THE INTERLOCUTORY APPLICATION FILED BEFORE THE HON'BLE SUPREME COURT OF INDIA

On 9.12.2020 all the interim applications filed by the various parties on certain issues like number of members in Apex Council and recall of the Lodha Committee orders including the Interlocutory application No.98955 of 2019 filed by the MCA came up for hearing before the Hon'ble Supreme Court of India. The Ld. Amicus Curiae filed a note dividing the Interlocutory applications in four categories namely I) "CAN BE DISPOSED WITH LIBERTY TO AVAIL APPROPRIATE REMEDIES" (II) "INFRUCTUOUS" (III) "SUCCESSFULLY MEDIATED" and (IV) "CONTESTING INTERLOCUTORY APPLICATIONS". Though the Interlocutory Application No. 98955 of 2019 filed by the MCA was required to be heard yet the same was placed in 3rd category of "Successfully Mediated" application. This was done at the last moment. The MCA did not have any opportunity to point out to the Hon'ble Supreme Court that their Application would fall in the Category IV and not III. It would not be out of place to mention that, the applicants had reserved their rights to agitate those grounds for which mediation was not successful. While passing the order dated 9.12.2020 the Hon'ble Supreme Court adjourned some of the Interlocutory applications falling under the category of "Contested applications" for hearing and the applications falling under the category of "Successfully Mediated" were disposed off.

Subsequently on 23.12.2020 MCA informed the Ld. Amicus Curiae that the said Interim Application No.98955 of 2019 filed by the MCA required to be heard as it sought modification/amendments to the Constitution and requested the Ld. Amicus Curiae to kindly place these facts before the Hon'ble Court and seek necessary clarification so that said Interim Application filed by the MCA can be placed in Category IV and be heard. The MCA also sent a reminder dated 16.01.2021.

On 10.3.2021, the Association filed another Interim Application before the Hon'ble Supreme Court of India praying to accept the constitution of the Association as submitted along with the said I.A. The said application is pending before the Hon'ble Supreme Court of India.

## REPORT ON PLAYERS REGISTRATION

The Registration of Players Committee introduced a new fully integrated online Registration Platform, where the whole process of registration of players will be done online. This digital platform will provide a comprehensive improved experience to Players as well as our esteemed Club Secretaries. The advantages of new registration platform are as follows :

- 1) A player is not required to fill a physical form for the registration. He just need to log in to registration portal and fill up an online form.
- 2) A player can access the registration portal from anywhere in the India 24X7.
- 3) A player does not need to have a computer to access the registration portal as well as for the filling up the form and attaching the required documents. He can do the same with the help of a mobile phone.
- 4) A player need not personally visit the Secretary of the Club for which he intends to play to take his signature on the registration form. Thus players will does not have to travel long distances.
- 5) The Secretary of a club can access the application of the player online. He need not be present at the time to sign the registration form. He can approve or reject the application online.
- 6) The Secretary can access the applications of the players whenever he wants to. He can verify the details filled up by the player with the documents attached by the player before allowing him to play for his club.
- 7) A player, whoever's application is accepted by the Secretary, needs to visit MCA Office alongwith his original documents for the verification only once. Addition of clubs, transfer of clubs, address change etc. will be done online only. So players and their guardians will not have to visit MCA again and again in the future.
- 8) Digital database will help the Association in verifying the records of all the players registered with the Association. The complete system is interlinked with online scoring platform which removes manual errors.
- 9) Database will also provide real time player statistics to enable the Selectors in selecting various state teams.

**AUDITORS' REPORT 2019****INDEPENDENT AUDITORS' REPORT  
TO THE MEMBERS OF  
MUMBAI CRICKET ASSOCIATION****Qualified Opinion**

We have audited the accompanying financial statements of **MUMBAI CRICKET ASSOCIATION** ("the Association") which comprise the Balance Sheet as at 31st March, 2019, the Income and Expenditure Account for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in Basis for Qualified Opinion paragraph below; consequential cumulative effect thereof is not ascertainable, the aforesaid financial statements give a true and fair view in accordance with the accounting principles generally accepted in India in the case of the Balance Sheet of the state of affairs of the association as at March 31, 2019 and in the case of Income and Expenditure Account of the surplus of the association for the year ended on that date.

**Basis for Qualified Opinion**

1. Certain matters which were reported in the audit report of the previous year, and which continue to remain unresolved as at 31st March, 2019 are summarised as under:
  - 1) Attention is invited to Note 3 of the schedule 18 to the financial statement, as per the terms of Memorandum of Understanding (MOU), Association is entitled to receive compensation in respect of the incremental area which may be built up by Garware Club House (GCH). The MOU also provides that the cost of construction is in the first instance to be paid and borne by GCH and subsequently GCH shall adjust the compensation due to the Association against such costs. However, in absence of complete details regarding cost incurred by GCH, the Association has neither recognised the increase in area or value of the Asset/ Liability towards cost of assets nor has recognized any income in respect of compensation so adjusted by GCH.
  - 2) Attention is invited to Note 8 (D) of Schedule 18 to the financial statements, regarding the non-provision of the tax on account of withdrawal of registration under section 12(A) by the tax authorities, which is based on legal opinion obtained by the Association.

The Association has created an adhoc provision for above contingency amounting to Rs. 81,00,00,000.

- 3) Attention is invited to Note 4 (C) of Schedule 18 to the financial statements, regarding MCA has received notice from MMRDA for violation of certain conditions of lease agreement with MCGM. The MCA is pursuing the matter with MMRDA and accordingly no financial impact, if any, has been considered in these financial statements.

**Emphasis of Matter**

1. Attention is invited to Note 6 of Schedule 18 to the financial statements, regarding allotment of Air-conditioned boxes, the Association is of the view that there are no other indirect taxes applicable on the transactions, other than Entertainment Tax.

2. Attention is invited to Note 8 (B) of Schedule 18 to the financial statements, regarding demand notice received by the Association on account of retrospective increase in property tax from the year 2010. Based on legal advice obtained, the Association has registered their protest against this demand and accordingly disclosed the same in the financial statements.
3. Attention is invited to Note 8 (C) of Schedule 18 to the financial statements, regarding demand notice received by the Association from MCGM in respect of License fee (including interest) for Kandivali property for the period 19th December, 2007 to 18th December 2016. Since the Association has communicated its objection towards the levy of such interest, the same has been disclosed as contingent liability.
4. Attention is invited to Note 8 (F) of Schedule 18 to the financial statements, regarding rental income on premises handed over to tenants post re-development of Wankhede stadium, the Association has not recognised the rental income in the financial statements in view of the ongoing legal matters with the tenants.
5. Attention is invited to Note 12 of Schedule 18 to the financial statements, wherein a sum of Rs 2500.00 Lakhs which is the estimated amount likely to be received in regard to match telecast and media rights which are granted by the BCCI annually in accordance with their established policies/ rules etc have been treated as unbilled revenue based on past practices, actual sums received as ad-hoc advances and other available data.

**Matters relating to Going Concern:**

Attention is invited to Note 13 of Schedule 18 to the financial statements, regarding expiry of Lease agreement with Government of Maharashtra for land on which Wankhede Stadium is constructed in February, 2018. Association has applied for renewal of lease agreement to Government of Maharashtra. As explained to us by the Association, the said lease agreement will be renewed and consequently, has recognised the related income and expenses with the assumption of Going Concern

Our opinion is not qualified in respect of these matters.

**Management's Responsibility for the Financial Statements**

The Association's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the Accounting Standards and in accordance with the accounting principles generally accepted in India. This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

**Auditors' Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

**Matters relating to Going Concern:**

Attention is invited to Note 13 of Schedule 20 to the financial statements, regarding expiry of Lease agreement with Government of Maharashtra for land on which Wankhede Stadium is constructed in February, 2018. Association has applied for renewal of lease agreement to Government of Maharashtra. As explained to us by the Association, the said lease agreement will be renewed and consequently, has recognised the related income and expenses with the assumption of Going Concern

Our opinion is not qualified in respect of these matters.

**Management's Responsibility for the Financial Statements**

The Association's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the Accounting Standards and in accordance with the accounting principles generally accepted in India.

This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

#### **Auditors' Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The period of Lease pertaining to plot of Land on which Wankhede Stadium is constructed has expired in February 2018. Association has applied for renewal of the said lease to the Government of Maharashtra Which is under process and Association is confident of getting the lease extended and consequently has recognised the related income and expenses with the assumption of going concern.

The period of Lease pertaining to BCCI has expired in March 2018. As the Lease pertaining to Plot of Land on which Cricket Centre Building is constructed has expired in February 2018, the Association could not enter into new agreement with BCCI. Thus on conservative basis association has not recognized lease rental Income from April 2018.

**15) Complaint received from Member:**

The association is in receipt of a complaint from a member filed by him with Ombudsman on 20th December, 2021. The said complaint contains allegations about purported wrongdoing by the Apex Council nearly 2 years ago. The issue regarding quantum of complimentary passes to be issued has been raised by the other state associations also and has also been considered by the Apex Council. Since this is a widely prevalent issue which is inter-alia the subject matter of an interlocutory application pending before the honourable Supreme Court of India, the Apex Council has decided that in the interim, the prevalent practice shall continue. The Association is seeking appropriate legal advice in the matter. Pending the same, no amount is shown as receivable from the members of the Apex Council as the complainant member has desired.

**AUDITORS' REPORT 2021****INDEPENDENT AUDITORS' REPORT  
TO THE MEMBERS OF  
MUMBAI CRICKET ASSOCIATION****Qualified Opinion**

We have audited the accompanying financial statements of **MUMBAI CRICKET ASSOCIATION** ("the Association") which comprise the Balance Sheet as at 31st March, 2021, the Income and Expenditure Account for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in Basis for Qualified Opinion paragraph below; consequential cumulative effect thereof is not ascertainable, the aforesaid financial statements give a true and fair view in accordance with the accounting principles generally accepted in India in the case of the Balance Sheet of the state of affairs of the association as at March 31, 2021 and in the case of Income and Expenditure Account of the surplus of the association for the year ended on that date.

**Basis for Qualified Opinion**

1. Certain matters which were reported in the audit report of the previous year, and which continue to remain unresolved as at 31st March, 2021 are summarised as under:
  - 1) Attention is invited to Note 3 of the schedule 18 to the financial statement, as per the terms of Memorandum of Understanding (MOU), Association is entitled to receive compensation in respect of the incremental area which may be built up by Garware Club House (GCH). The MOU also provides that the cost of construction is in the first instance to be paid and borne by GCH and subsequently GCH shall adjust the compensation due to the Association against such costs. However, in absence of complete details regarding cost incurred by GCH, the Association has neither recognised the increase in area or value of the Asset/ Liability towards cost of assets nor has recognized any income in respect of compensation so adjusted by GCH.
  - 2) Attention is invited to Note 8 (D) of Schedule 18 to the financial statements, regarding the non-provision of the tax on account of withdrawal of registration under section 12(A) by the tax authorities, which is based on legal opinion obtained by the Association.

The Association has created an adhoc provision for above contingency amounting to Rs. 81,00,00,000.

- 3) Attention is invited to Note 4 (C) of Schedule 18 to the financial statements, regarding MCA has received notice from MMRDA for violation of certain conditions of lease agreement with MCGM. The MCA is pursuing the matter with MMRDA and accordingly no financial impact, if any, has been considered in these financial statements.

**Emphasis of Matter**

1. Attention is invited to Note 6 of Schedule 18 to the financial statements, regarding allotment of Air-conditioned boxes, the Association is of the view that there are no other indirect taxes applicable on the transactions, other than Entertainment Tax.
2. Attention is invited to Note 8 (B) of Schedule 18 to the financial statements, regarding demand notice received by the Association on account of retrospective increase in property tax from the year 2010. Based on legal advice obtained, the Association has registered their protest against this demand and accordingly disclosed the same in the financial statements.
3. Attention is invited to Note 8 (C) of Schedule 18 to the financial statements, regarding demand notice received by the Association from MCGM in respect of License fee (including interest) for Kandivali property for the period 19th December, 2007 to 18th December 2016. Since the Association has communicated its objection towards the levy of such interest, the same has been disclosed as contingent liability.
4. Attention is invited to Note 8 (F) of Schedule 18 to the financial statements, regarding rental income on premises handed over to tenants post re-development of Wankhede stadium, the Association has not recognised the rental income in the financial statements in view of the ongoing legal matters with the tenants.
5. Attention is invited to Note 12 of Schedule 18 to the financial statements, wherein a sum of Rs 2500.00 Lakhs which is the estimated amount likely to be received in regard to match telecast and media rights which are granted by the BCCI annually in accordance with their established policies/ rules etc. have been treated as unbilled revenue based on past practices, actual sums received as ad-hoc advances and other available data.
6. Attention is invited to Note 15 of Schedule 18 to the financial statements, in regard to a complaint made by a member to the Ombudsman on 20th December 2021. The complaint member has raised issues of governance, distribution of complimentary passes and their reconciliation and also sought recovery of the amount from the Apex Council members as explained in the note.

**Matters relating to Going Concern:**

Attention is invited to Note 13 of Schedule 18 to the financial statements, regarding expiry of Lease agreement with Government of Maharashtra for land on which Wankhede Stadium is constructed in February, 2018. Association has applied for renewal of lease agreement to Government of Maharashtra. As explained to us by the Association, the said lease agreement will be renewed and consequently, has recognised the related income and expenses with the assumption of Going Concern

Our opinion is not qualified in respect of these matters.

**Management's Responsibility for the Financial Statements**

The Association's Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of the Association in accordance with the Accounting Standards and in accordance with the accounting principles generally accepted in India.

This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditors' Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Association's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Association to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

The Association, based on legal advice, is in the process of going for an appeal against the said demand since, inter-alia such retrospective demand is computed treating entire premises as commercial property and without considering the fact that the Association is a charitable trust.

Considering the above facts and advise received, association has provided and paid Rs 4,014.48 Lakhs against total liability of Rs. 7,798.35 Lakhs and disclosed the balance amount of Rs. 3,783.87 Lakhs as contingent liability.

June 1, 2010 (date from which the power for cancellation of registration u/s 12A was granted by an amendment in the IT Act). The Association has appealed before the Honorable Bombay High Court against the decision of Income Tax Appellate Tribunal (ITAT). The appeal has been admitted.

Pursuant to the above referred orders, pending Appeals for AY 2006-07 up to AY 2008-09 where department had denied exemption under section 11 were disposed off and the Assessing Officer has determined a NIL amount of tax due from the Association for these years. The Income Tax Department has however preferred appeals before the Hon'ble Bombay High Court against the orders of the ITAT. The same are pending for admission.

Arising out of the above said legal issues in dispute an aggregate income tax demand of Rs. 12686.86 Lakhs had been raised by the Income Tax Department for the years AY 12-13 to AY 17-18. The amount due from the Association (net of TDS & Tax credits) as per this disputed determination was Rs. 9361.79 Lakhs. In 2020, the Government of India enacted The Direct Tax Vivaad se Vishwas Act 2020 which enabled settlement of pending disputes with facility of remission of certain interest, which in the case of the Association amounted to Rs. 3803.48 Lakhs. Considering the overall position, the Association filed its application for resolution of the pending appeals for six years viz. AY 12-13 to AY 17-18. After giving effect to certain rectification applications also preferred by the Association, and on payment of a net sum of Rs. 2274.30 Lakhs for these six years, all dues of the Association for these six years have been fully settled. The orders for the same have been received in FY 21-22 and accordingly accounting effects of the same will be reflected in the respective year.

Appeals for AY 10-11, AY 11-12, AY 18-19 and AY 2019-20 are pending as at date before the first appellate authority, and the net outstanding demand of Rs. 5230.39 lakhs which is disputed by the Association is fully covered by provisions already made. Other matters still being under adjudication, the Association is of the view that the same are not payable and hence, no provision has been made in respect of the same. In this regard, detailed written submissions are made from time to time and personal hearings have been attended before respective authorities. However, no order has been passed in this regard till date.

**F) Rent Income from Office Premises and Tenants' Matter :**

Pending the outcome of the legal cases, no income from renting of above said properties have been recognized during the year. Income will be recognized on the outcome of legal matters.

**G) Selvel Matter:**

Association's claim against M/s Selvel towards loss due to Selvel backing out from tendered amount for advertisement during the test match played between India and West Indies in November 1994 was allowed by Honorable Bombay High Court. M/S Selvel has deposited Rs.43.23 Lakhs in Canara Bank as ordered by the Court. The amount will be recognised as income after outcome of the Appeal filed by M/s Selvel publicity & Consultant Pvt. Ltd.

As per order dt. 3<sup>rd</sup> October 2019 by Hon. Bombay High Court party has paid Rs. 10 Lakhs to MCA towards payment of cost as directed by Hon. High Court.

**9) Contingent Liabilities:**

As explained in Note no 8(b) and Note no 8(c) total demand (net of provision) of Rs. 8968.51 Lakhs is treated as contingent liability.

In the opinion of Management, the provisions are adequately made towards amounts due but not paid as on 31st March, 2021.

**10) Advance Received from BCCI:**

The Association has received on 1st, October 2016 a sum of Rs 1675 Lakhs from BCCI. However as per directions of Supreme Court Committee as communicated by the Amicus curiae, the Association was restrained from using these funds until further directions in regard to adoption of the amended constitution by the Association. The said funds have been placed in fixed deposit with a nationalized bank and have been recorded as an advance received from BCCI.

The restriction on user of the said deposit has now been removed as per the e-mail dated 5th November 2019 received from the Treasurer, BCCI.

**11) Additions to Corpus:**

Entrance Fees of Rs. 26.75 Lakhs received from Associates in regard to admission to the Facilities at BKC and Kandivali have been credited to the Trust Fund.

**12) Unbilled Revenue- BCCI**

Sum of Rs. 2500.00 Lakhs which is the estimated amount likely to be received in regard to match telecast and media rights which are granted by the BCCI annually in accordance with their established policies / rules etc has been treated as unbilled revenue based on past practices, actual sums received as ad-hoc advances and other available data.

**13) Lease Agreement with Government of Maharashtra:**

The period of Lease pertaining to plot of Land on which Wankhede Stadium is constructed has expired in February 2018. Association has applied for renewal of the said lease to the Government of Maharashtra which is under process and Association is confident of getting the lease extended and consequently has recognised the related income and expenses with the assumption of going concern.

**14) Lease rental from BCCI:**

The period of Lease pertaining to BCCI has expired in March 2018. As the Lease pertaining to Plot of Land on which Cricket Centre Building is constructed has expired in February 2018, the Association could not enter into new agreement with BCCI. Thus on conservative basis association has not recognized lease rental Income from April 2018.

**15) Complaint received from Member:**

The association is in receipt of a complaint from a member filed by him with Ombudsman on 20th December, 2021. The said complaint contains allegations about purported wrongdoing

by the Apex Council nearly 2 years ago. For this and other reasons including the maintainability and jurisdiction of the Ombudsman to enter into this matter at this stage, the grievance about purported excessive distribution of complimentary passes and alleged fraud is being disclosed on principles of good governance. The issue regarding quantum of complimentary passes to be issued has been raised by the other state associations also and has also been considered by the Apex Council. Since this is a widely prevalent issue which is inter-alia the subject matter of an interlocutory application pending before the honourable Supreme Court of India, the Apex Council has decided that in the interim, the prevalent practice shall continue. The Association is seeking appropriate legal advice in the matter. Pending the same, no amount is shown as receivable from the members of the Apex Council as the complainant member has desired.

16) Previous year figures have been regrouped and rearranged wherever considered necessary.
